School Vision

At Harrison School we value respect, responsibility and learning.

Our mission is to collaboratively achieve learning progress, and maintain a healthy school culture for all students, staff and our community.

Our vision is that Harrison School is a happy, healthy and successful ACT Public School.

Harrison Preschool Philosophy

At Harrison School, we strive to develop the whole child through play-based child-centred learning environments that support individual needs and interests. We embed and value Indigenous ways of knowing. We believe that providing nurturing relationships will support each child to be happy, healthy and safe, and we welcome families in to be part of our learning journey!
